Normandy	21.03%	22.73%
Humble	33.51%	24.53%
Treemont	22.09%	36.00%

Dear Texas CAP Super-Leaders,

Your admission numbers are below and I am glad to report that almost every center is better than last year and half of you are besting the Diversicare average.

Special extra hugs and applause to **Estates** (kudos to Dr. Kazigo, Tateshia, and team!). **Afton** has cut their readmission rates from 2018 in half (kudos to Dr. Lockhart, Tina and team!)
